EUROPEAN MASTERS IN AESTHETIC & ANTI-AGING MEDICINE

EMVAAA

www.euromedicom.com

Welcome

Dear Colleague,

For the second year, the European Masters in Aesthetic and Anti-Aging Medicine (EMAA) will be a meeting of reference, where physicians will obtain the answers they seek, thanks to the important innovations, the diversity and quality of the topics presented by European and International Experts.

More than ever, the Palais des Congrès of Paris, two steps away from the Champs Elysées, will be the ideal place for the EMAA 2006.

You will have the opportunity to be introduced to the latest techniques and to attend high standard courses and workshops: the EMAA is a very PRACTICAL and INTERACTIVE congress where each paper effectively corresponds to an application in your daily practice.

Another feature of the EMAA resides in the fact that specialists in aesthetics will be introduced to anti-aging medicine and that anti-aging doctors will gain from the knowledge in aesthetics. Our concern is to ensure that both domains could combine their respective knowledge for the global management of aging.

The sessions will focus on the following subjects:

Aesthetic Dermatology, Medicine and Surgery:

- Innovations, controversies and debates.
- Conference review in aesthetic dermatology.
- Practical approach of aesthetic medicine with live workshops for beginners.
- Advanced courses in aesthetic medicine and surgery.
- Simple and safe aspects of aesthetic medicine that anti-aging physicians can implement.
- Live Surgery from the operating room.

Anti-Aging Medicine:

- Evidence-based anti-aging medicine.
- Advanced courses, controversies and debates.
- Practical workshops for beginners (patient examination, assessments, etc.).
- Advanced workshops for anti-aging physicians.
- Simple and safe aspects of anti-aging medicine that aesthetic physicians can implement.

During the coffee and lunch breaks offered on site, you will be able to stroll through a large exhibition of the top aesthetic and anti-aging companies.

We look forward to your participation and to welcoming you to Paris.

The Scientific Organisation Committee

Scientific Committee

Anti-Aging Medicine

Claude Dalle, MD - Paris, France
Thierry Hertoghe, MD - Brussels, Belgium

Aesthetic Surgery

Antoine Paraskevas, MD - Paris, France
François Petit, MD - Paris, France

Aesthetic Dermatology

Koenraad de Boulle, MD - Aalst, Belgium
Phillip Levy, MD - Geneva, Switzerland
Mario Trelles, MD - Cambrils, Spain

Faculty Members (preliminary list)

◆ ACCARDO Ciro	Plastic Surgeon	Milano	Italy	◆ LANIGAN Sean	Dermatologist	Birmingham	UK
◆ ANDRÉ Pierre	Dermatologist	Paris	France	◆ LEVY Jean-Luc	Dermatologist	Marseille	France
◆ BELHAOUARI Lakdhar	Plastic Surgeon	Toulouse	France	◆ LEVY Phillip	Dermatologist	Geneva	Switzerland
◆ BENCI Maurizio	Dermatologist	Firenze	Italy	◆ MARECHAL Thierry	Aesthetic Medicine	Paris	France
◆ BENSLIMANE Fadh	Plastic Surgeon	Casablanca	Morocco	◆ MORDON Serge	Biophysicist	Lille	France
◆ BICHET Jean-Christophe	Plastic Surgeon	Paris	France	◆ PARASKEVAS Antoine	Plastic Surgeon	Paris	France
◆ BONVALLOT Thierry	Plastic Surgeon	Paris	France	◆ PARIENTE Alexandra	Anti-Aging Medicine	Paris	France
◆ CARLY Dominique	Gynecologist	Fleurus	Belgium	◆ PASCAL Jean-François	Plastic Surgeon	Lyon	France
◆ CHAUCHARD Claude	Anti-Aging Medicine	Paris	France	◆ PERRING Michael	Andrologist, Psychotherapist	London	UK
◆ COLEMAN Sydney	Plastic Surgeon	New York	USA	◆ PETIT François	Plastic Surgeon	Paris	France
◆ DALLE Claude	Anti-Aging Medicine	Paris	France	◆ PETIT Philippe	Mesotherapist	Bordeaux	France
◆ DAVIS Clarence	Anti-Aging Medicine	Zollikon	Switzerland	◆ PIERPAOLI Walter	Research Scientist	Gordola	Switzerland
◆ DE BOULLE Koenraad	Dermatologist	Aalst	Belgium	◆ RASPALDO Hervé	Facial Plastic Surgeon	Cannes	France
◆ DE JAEGER Christophe	Geriatrist	Paris	France	◆ RESIMONT Stéphane	Anti-Aging Medicine	Bruxelles	Belgium
◆ DEPREZ Philippe	Aesthetic Medicine	Empuriabrava	Spain	◆ RUEFF Dominique	Anti-Aging Medicine	Vallauris	France
◆ GALLUCCI Marco	Plastic Surgeon	Pisa	Italy	◆ RZANY Berthold	Dermatologist	Berlin	Germany
◆ GRIFFITHS Tamara	Dermatologist	Birmingham	UK	◆ SATTLER Gerhard	Dermatologist	Darmstadt	Germany

AESTHETIC PRE-COURSE "FACE & BODY" - October 11-12

An **AESTHETIC Advanced Course** will open the EMAA congress, presented by International Experts showing the last techniques and products for the most efficient treatments. With **LIVE DEMONSTRATIONS**.

For the FACE: New phenol peels for excellent results and minimal downtime - Best combinations for the rejuvenation of the face, including Botulinum Toxin, fillers, Mesotherapy procedures, etc.

For the BODY: All the new and efficient treatments of cellulitis and fat (Lipolysis therapy, Injections, Laser, Infrared, Ultrasounds).

MORE INFORMATION : WWW.EUROMEDICOM.COM

EMAA - AESTHETIC DERMATOLOGY PROGRAM

BOTULINUM TOXIN EX CATHEDRA

- ▲ Upper face
- ▲ Lower face + neck
- ▲ 'Other' toxins / legal matters
- ▲ Complications and how to manage
- ▲ Combining Botulinum Toxin with other treatments
- ▲ Patient assessment

BOTULINUM TOXIN - INJECTION SESSION - LIVE DEMONSTRATION

We take the pictures or video upfront of the patients, discuss it in the earlier session with interactive audience contribution.

These patients will be treated in live demonstration.

FILLERS

- ▲ Overview: resorbable/non-resorbable/semi (how long on the market, particularities,...)
- ▲ Complications and how to address: resorbable/non-resorbable
- ▲ Combinations for lips: Fillers with a) Botulinum Toxin / b) Permanent make-up
- ▲ Legal matters
- ▲ Interactive questions/answers session
That is with questions asked the audience and answered by voting and also of course normal questions/answers

NEW TRENDS IN LASERS AND PHOTOTHERAPY

- ▲ Future trends in non ablative rejuvenation
- ▲ Current state of Photodynamic Therapy in aesthetic dermatology
- ▲ Stretch marks: Treatments with Infrared Pulsed Light High Energy
- ▲ Laser assisted skin closure (LASC) accelerates wound healing and improves the quality and appearance of surgical scars
- ▲ New Generation of Intense Pulsed Light for Aesthetic and Dermatology
- ▲ Cellulitis and topical treatments: Possibilities of the new technologies

CREAMS / PEELS / OTHER

- ▲ Overview of peels
- ▲ How to treat pigmentation disorders
- ▲ Overview of anti-wrinkle/anti-aging creams
- ▲ Mesotherapy: Decollete, face
- ▲ Antioxidants: What does really work?

EMAA - COSMETIC SURGERY PROGRAM

LIPOLYSIS

- ▲ Current state of the art
- ▲ Technical pearls
- ▲ Extensive study of complications
- ▲ Lipolysis of the face
- ▲ Lipolysis versus liposuction: clinical cases
- ▲ Alternatives to lipolysis and liposuction

EXTREME COSMETIC SURGERY

- ▲ Megaliposuction
- ▲ Lunch-time procedures
- ▲ Anesthesia by hypnosis
- ▲ Age extremes: When should we start? When to stop?
- ▲ Mammary implants using the transumbilical approach
- ▲ Multiple surgical combined procedures

TOTAL AESTHETIC REHABILITATION

- ▲ Extreme relooking
- ▲ Rejuvenation of the hands
- ▲ Rejuvenation of the genitalia
- ▲ Rejuvenation of the aging nose
- ▲ Buttocks and thigh rejuvenation
- ▲ Rejuvenation of the mouth
- ▲ Rejuvenation of the breast

CREATE A SUCCESSFULL PRACTICE IN COSMETIC MEDICINE AND SURGERY

- ▲ Think big: A global approach for aesthetic rehabilitation
- ▲ Set up a smart practice
- ▲ Put yourself on the show: The TV experience
- ▲ Get the most out of the web
- ▲ Technical equipment: Make the right choice
- ▲ Coach yourself: Become who you want to be

REGISTRATION ON LINE AT: www.euromedicom.com

EMAA - ANTI-AGING MEDICINE PROGRAM

NUTRITION: can we heal the age-related obesity?

- ▲ Avoiding weight promoting foods: toxic chemicals, bad, carbohydrates, coffee and thee intake
- ▲ Increasing muscle weight by changing the food choice
- ▲ Avoid sex-hormone and growth-hormone reducing foods
- ▲ Reducing cellulite and abdominal obesity with growth hormone, testosterone
- ▲ DHEA replacement: mechanisms, doses, etc.
- ▲ Hyperprotein diets
- ▲ The importance of varying foods and regularly fasting to decrease obesity to live longer
- ▲ Losing up to 140 kilos by avoiding allergic foods

CARDIOLOGY: Can we heal atherosclerosis with anti-aging therapies?

- ▲ Hormone replacement that prevent and/or reverse coronary heart disease
- ▲ Hormone replacement that improve serum lipids
- ▲ Estradiol and other estrogens: their differential effects on the heart
- ▲ DHEA replacement, serum lipids and coronary heart disease
- ▲ Vitamin supplementation for better arteries and veins
- ▲ Trace element therapies that prevent or attenuate vascular pathologies
- ▲ Advanced investigation techniques for detection of vascular pathologies
- ▲ Mercury and other heavy metal toxic: how to diagnose and the beneficial effects of detoxification on serum lipids and the cardiovascular system

Debate: is atherosclerosis reversible

ENDOCRINOLOGY: Melatonin new unexpected anti-aging proprieties discovered applicable to patients

- ▲ In which countries is melatonin authorized and which not?
- ▲ Cutaneous uses of melatonin for scalp hair regrowth
- ▲ Cutaneous use of melatonin for face repair
- ▲ How melatonin improves sleep: Extensive review of the studies: open and double-blind studies
- ▲ Melatonin use against macular degeneration
- ▲ Melatonin: a major protector against cardio- and cerebrovascular diseases?
- ▲ Melatonin: key hormone to anti-aging hormone replacement therapies by resetting circadian rhythms and correcting hormone balances?

ENDOCRINOLOGY: Can growth hormone replacement partially heal aging?

- ▲ Cancer reduction with growth hormone replacement in adults
- ▲ Lifespan decrease wit growth hormone deficiency and longevity extension with growth hormone replacement: possible mechanisms
- ▲ Improving GH and IGF-1 levels by diet adjustment
- ▲ How good are the GH secretagogues
- ▲ New studies on GH replacement
- ▲ How to treat with growth hormone: basic principles, side effects, how to solve problems during treatment

NEUROLOGY: can we heal neurodegenerative diseases of aging?

- ▲ Alzheimer
- ▲ Lateral amyotrophic sclerosis
- ▲ Parkinson
- ▲ Macular degeneration

Debate: can we prevent and cure neurodegenerative diseases?

PSYCHIATRY: Can we prevent or heal the anxiety that increases with aging?

- ▲ Vitamin approaches
- ▲ Amino-acids
- ▲ Plant extracts
- ▲ Growth hormone and melatonin
- ▲ Testosterone

PSYCHOLOGY: Can we become happier with anti-aging interventions?

- ▲ The psychology of happiness (30')
 - ▲ The positive emotions that make you live longer: scientific review of the studies
 - ▲ The negative emotions that shorten your life: an evidence-based report
 - ▲ How to improve positive emotions, in particular happiness, and reduce negative ones
- DEBATE: Is happiness mainly the result of inborn character or can it be increased with medical and psychological interventions?

LONGEVITY MEDICINE: What can we do to live longer?

- ▲ Nutritional therapies that may significantly extend life
- ▲ The best dietetic principles to life extension: a review of the studies
- ▲ Hormone replacement therapies that may extend life
- ▲ Psychological attitudes that may extend life

Debate: What can we do to extend our life considerably?

GENERAL INFORMATION

CONGRESS LOCATION

Palais des Congrès de Paris

2, place de la Porte Maillot, 75017 Paris - www.palaisdescongres-paris.com

For more than 30 years, the Palais des Congrès de Paris has largely contributed to make the city the world capital of the international congresses. It is located at the Porte Maillot, at a few minutes walking distance of the "Gold Triangle": Champs Elysées, Place de l'Etoile, rue du Faubourg Saint-Honoré... More than ever, the Palais des Congrès de Paris is the ideal place of meetings of scale: international congresses, medical conferences...

AIR TRANSPORTATION

AIR FRANCE

REFERENCE TO BE QUOTED: AXZE SE 6525

Validity: from 08/10/2006 to 20/10/2006

- **On international routes.** Discounts registered under GGAIARAFEVENTNEGO. On presentation of the original of this document Air France offices throughout the World will offer you preferential fares (subject to conditions) from your country of departure on the regular full fare in business or economy class for your round-trip journey to attend this event. Your nearest Air France office: www.airfrance.com

- **On the domestic network within metropolitan France.** Discounts registered under GGAIARAFCONGREST. This original document will entitle you to a rebate of up to 45% (subject to conditions) on the regular full fare in economy class for your round-trip journey on the Air France metropolitan domestic network to attend this event. To book and obtain your electronic ticket within France, contact 0 820 820 820 (0,12 €/min) or your travel agent in metropolitan France or your Air France office. Your nearest Air France office in France: www.airfrance.fr

This document mandatory to issue the ticket will be required at any point of the journey to justify the fare.

Members of Air France's partner-carriers will receive "miles" on their loyalty programme when using Air France flights. Check details with your Air France office.

TRAIN

A discount rate of 20 to 25% of the basic fare, valid for all services under SNCF pricing system, in 1st economic class corresponding to the standard level 1 fare charged on TGV services and the fare applicable to other train services, exclusive of any reservation charges or supplements. The voucher ticket has a two-week validity and shall include at least one day of the congress within this two-week period. Please ask the Congress Organization for vouchers.
